

2023 NEWSLETTER & WEBSITE COMPETITION

NEWSLETTER COMPETITION

I am proud and honored to announce to you the winners of the 2023 National and International Early Ford V-8 Club of America Newsletter Competition. My few years of involvement in this important facet of the Early Ford V-8 Clubs' efforts to secure a prominent place in Ford automotive history, has been an enjoyable one. I regret the sands of time will prevent me from doing this in the future. To whomever takes the reigns of this function in the future, I pledge my full support. An Early Ford V-8 Club's newsletter is one of the most important activities to help keep and grow a club. Few last long or well without a vibrant and effective newsletter.

Here are the winners for 2023:
